Subject: AAESQ – CERA – Drug Cost Control Measures – Progress of results - 2016-04-26

I was quite pleased to see that within a few minutes of the notification to you on Thursday afternoon of April 21 we received our first reply.

As of this morning, April 26 we have received 71 responses. I realize that the deadline is for May 19 however, this is an encouragement for those of you who have not responded to make an effort to complete the two (2) questions.

On behalf of the association I look forward to achieve a high percentage of returns as this will allow us to make a more informed provincial decision.
