Subject: AAESQ – CERA – Drug Cost Control Measures – Progress of results - 2016-05-03

As of this morning, May 3 we have received 116 responses which is just shy of 25%. I realize that the deadline is May 19 however, I believe that a higher response would be more meaningful. Responses indicate that members from all school boards have replied.

Remember, it is only 2 questions.

If your association is to represent the membership, then the membership has a responsibility.

On behalf of the association I look forward to achieve a high percentage of returns as this will allow us to make a more informed provincial decision.
