Subject: Temporary Assignment to Concurrent Senior Staff Positions – Article 49, extracted from 2018-08 conditions

In the last two years this situation has returned and for varied reasons. This usually leads to tasks being rearranged and one or more people are assigned new responsibilities. The conditions applicable in such a case are outlined in Article 49.

Chapter 3 - REMUNERATION - Division 2 - ADDITIONAL RENUMERATION

Temporary Assignment to Concurrent Senior Staff Positions

49. A senior staff member who, at the request of his school board, holds temporarily, in addition to his usual position, another full-time senior staff position for a period of at least two months, shall receive, during that period, additional remuneration equal to 10% of his salary.

The school board may also distribute the duties associated with the position among several senior staff members. The senior staff members concerned must perform the additional duties in addition to their usual duties for a period of two months or more. In such a case, the total additional remuneration distributed among the senior staff members cannot exceed 10% of the maximum of the salary class of the position the duties of which are shared. The decision of the school board to distribute the duties of the position among several senior staff members cannot be subject to recourse. The same applies to the salary percentage determined by the school board and distributed among the senior staff members concerned.

Such additional remuneration shall be paid as a lump sum according to the same terms and conditions as those for the payment of salary until the end of such an assignment.
