## AAESQ Withdrawal from CAP Membership

At its **October 23, 2025**, Board of Directors meeting, a resolution was adopted not to renew membership with the Canadian Association of Principals (CAP), effective November 1, 2025.

This decision follows a careful review and ongoing discussions throughout the 2024–2025 school year. While AAESQ maintained CAP membership on a one-year trial to assess potential benefits, the Board concluded that the annual membership fee outweighs the benefits for our members. Additional concerns included unanswered questions regarding CAP's operations, inconsistent distribution of the CAP newsletter despite multiple requests, and limited engagement with Indigenous or French-speaking leaders and communities. Following a discussion in February 2025 with CAP's Executive Director and President, it became evident that the organization's mandate and benefits no longer fully align with AAESQ's current needs.

AAESQ will continue to collaborate with partners across Canada and has recently realigned its partnership with five other provincial associations: the Ontario Principal Council (OPC), Catholic Principal Council of Ontario (CPCO), Association des directions et directions-adjointes des écoles franco-ontariennes (ADFO), Public School Administrators Association of Nova Scotia (PSAANS), and B.C. Principals' and Vice Principals' Association (BCPVPA). This collaboration has already proven fruitful and closely aligned with AAESQ's vision.
